PRELIMINARY - CONNECT/DECIDE

ARE YOU READY?

Have you ever wondered if you had guides or angels? Have you wanted a better connection, understanding of how to make the most, higher quality or fine tuning? Do you wish to experience other ways of communication?

Make an assessment

1. If you decided to connect with your highest guides and angels, would this be new for you?
2. If new, what is your favourite sense or way of connecting to anything?
3. Would this be more about refining and upgrading?
4. If refining or upgrade, what needs work?
5. There are many ways, is this one for YOU? Get a clear yes or no response from your current tools. If you don't have any current tools, listen to the meditation at www.sharonmcl.com/connecting

“Like any relationship, connecting with your highest guides and angels takes work. the more you work at it, the better connection.”
